

SCRATCH

Simon Says Style!

- Before going outside
 - Draw a picture of a 90 degree angle

 - Draw a picture of a 45 degree angle.

 - Draw a picture of a 180 degree angle.

- We're going to play Simon Says. EXCEPT – you we're only going use commands like these: (but we'll say any number)
 - Turn Right 90 degrees
 - Turn Left 45 degrees
 - Walk forward 3 steps

- Now you try! Take turns being Simon and try to get the follower to do these things using only the 3 types of commands above. Write the simon says commands below each
 - Spin in a circle
