Duck Hunt – Remix

- Go to the Scratch Website and log in.
- Search for Duck Hunt and click download “Duck Hunt” to open it in Scratch on your computer.
- Look through the different sprites:
 - Which one is most complicated?

 - Which one is least complicated?

 - Which one has the most costumes?

- When you miss the duck three times, the screen turns pink and says “fly away”. Find this background and change the background color. Where did you find it?

- Look at the Scripts for Sprite23.
 - Describe what it is doing.

 - What part is the hardest part to understand?

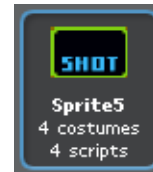

- Make the title screen fade out when the game starts. How did you do it?
