

SCRATCH

S-20

Movie!!!

Before a movie is made there is always a detailed plan.

- What characters will be in your movie?

- What is the setting(s) of your movie?

- What is the point of your movie?

- List two complicated things you want to do in Scratch and how you will do them?

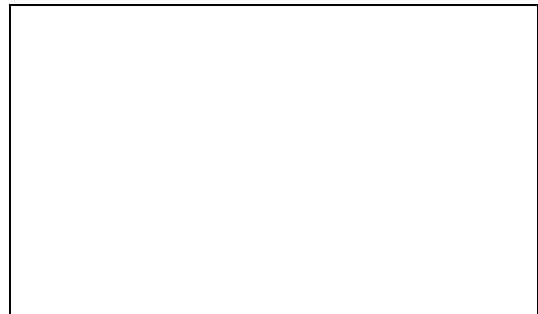

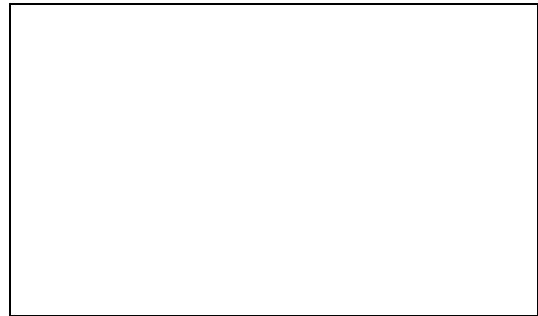

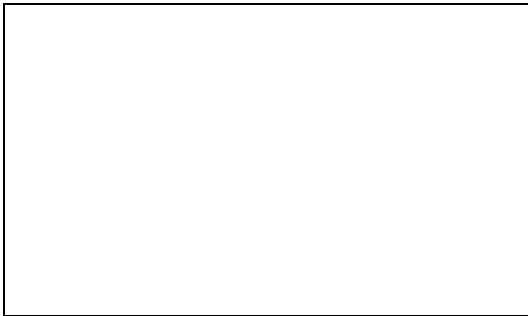

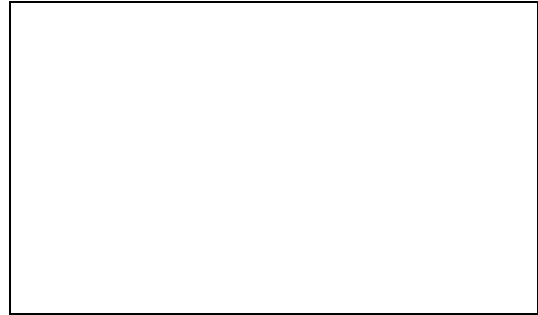

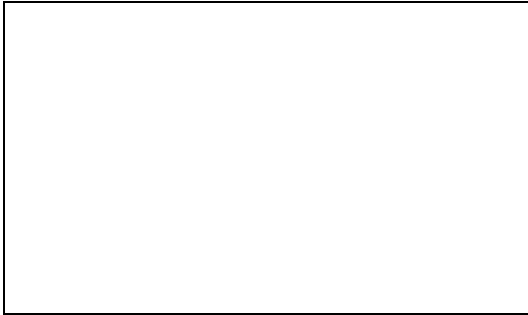

- What is something you wish you could do, but don't know how to do in Scratch?

Name _____

Movie (Continued...)

- Draw out a story board for the major events in your movie
 - A story board is like a cartoon that outlines the plot of a movie.
 - Put a description under each image.

- Make a title screen for your movie. How did you do it?

- Make credits for your movie. How did you do it?
