## Three NEW ways to start your song!

- Get a copy of one of your songs. How do you play it?
- Try to connect this piece to your song: How can you start the song now?

- What does this piece do? What is the black triangle for?

- What does this piece do? Use it in your program.

- What do all of these 3 new pieces have in common?
  
- Make a few new songs. Use a different way to start each song.
  
- Challenge! Why do you think these pieces are shaped like this?
