

The car drives across the screen and disappears.

```
hide
when green flag clicked
glide 4 secs to x: 340 y: 0
show
go to x: -340 y: 0
```

The cat walks across the screen.

```
move 10 steps
when green flag clicked
next costume
wait 0.5 secs
go to x: -269 y: 0
forever
```

When clicked, the girl says “I love to dance” and then starts dancing.

next costume

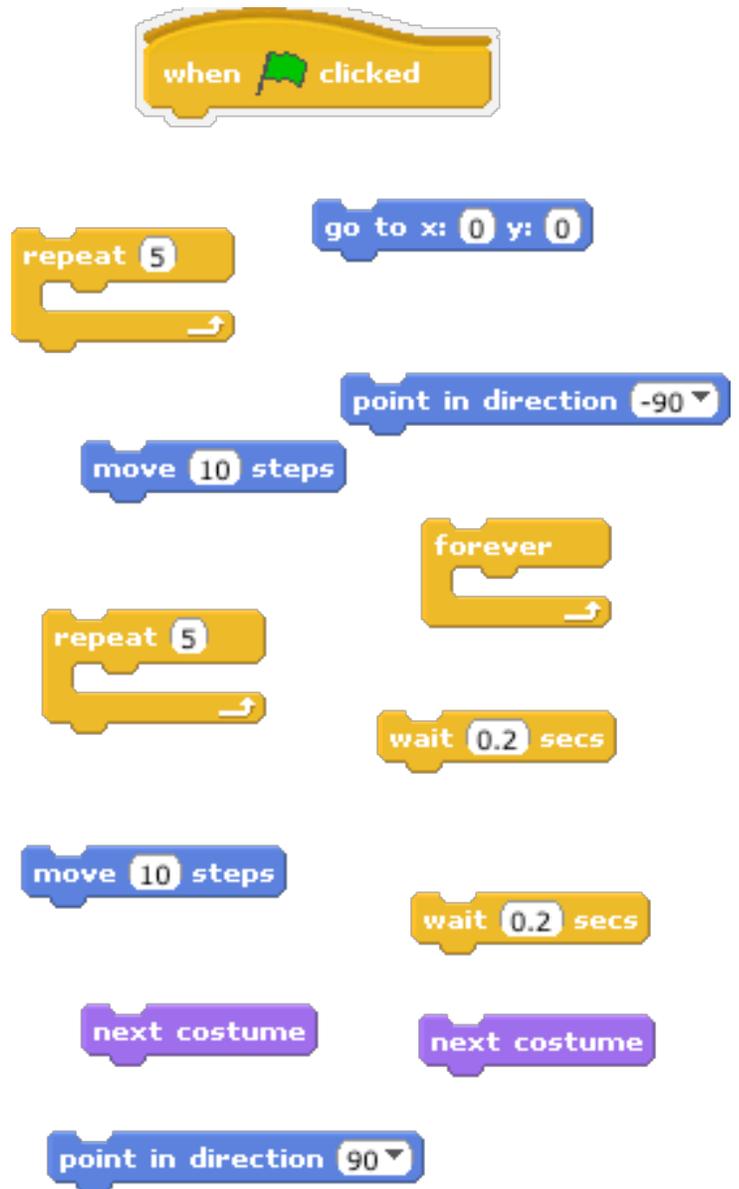

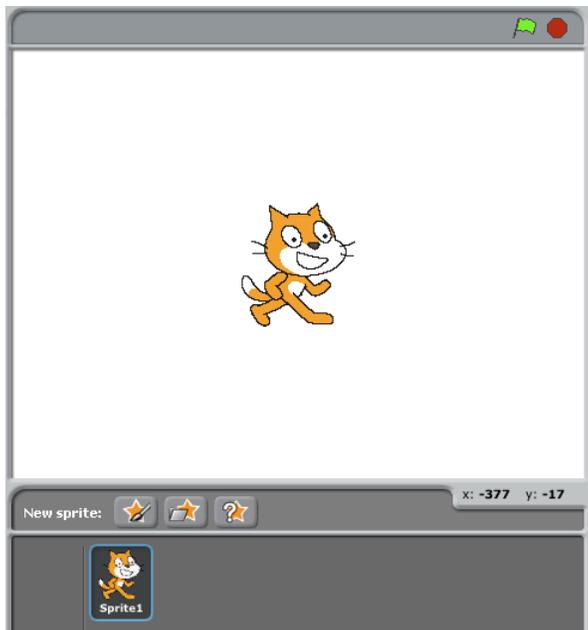

forever

wait 0.4 secs

say I love to dance! for 2 secs

when Girl clicked

The cat walks to the right and then to the left over and over again.

When clicked, the monster says “Party Time!” and changes color over and over again.

```
when Monster clicked
  forever loop
    say Party Time!
    wait 0.2 secs
    change color effect by 25
```

The monster follows the arrow keys to go through the maze.

If he touches white, he glides back to the start.
