

STORY TIME!

Story creation with Scratch provides opportunities to explore a variety of computational concepts and skills. Here are some blocks that are frequently useful in stories.

WAIT

Insert a pause

SAY/THINK

Have a speech or thought bubble appear over a sprite

SOUNDS

Play recorded audio

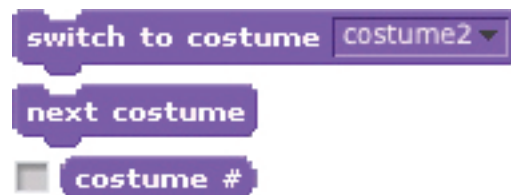

VISIBILITY

Make a sprite appear or disappear

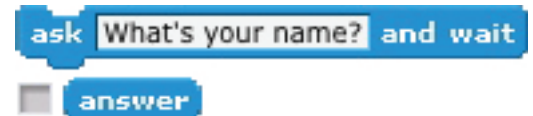

COSTUMES

Change the appearance of your sprite

ASK

Get input to use in a project

STRINGS

Test, access, and change words and sentences

COORDINATE

Synchronize actions between and within sprites
