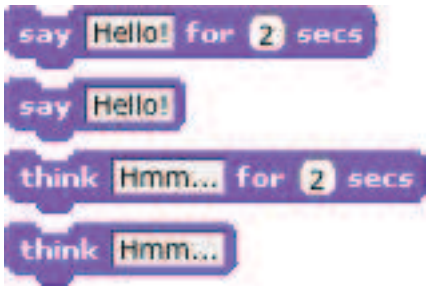
STORY TIME!

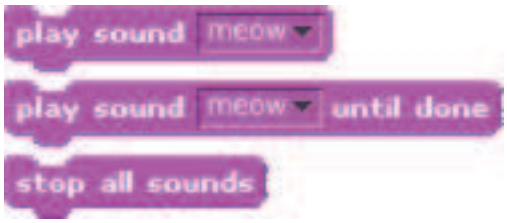
Story creation with Scratch provides opportunities to explore a variety of computational concepts and skills. Here are some blocks that are frequently useful in stories.

WAIT
Insert a pause

SAY/THINK
Have a speech or thought bubble appear over a sprite



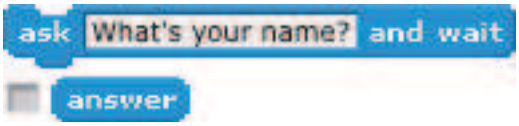
SOUNDS
Play recorded audio



VISIBILITY
Make a sprite appear or disappear

COSTUMES
Change the appearance of your sprite

ASK
Get input to use in a project



STRINGS
Test, access, and change words and sentences

COORDINATE
Synchronize actions between and within sprites
